Complaints & Compliments

EYFS: 3.74, 3.75

At Millwood House Nursery we believe that parents are entitled to expect courtesy and prompt, careful attention to their individual needs and wishes. We hope that at all times parents are happy with the service provided and we encourage parents to voice their appreciation to the staff concerned.

We record all compliments and share these with staff. Testimonials are welcome especially when parents agree to the nursery using them in promotional material.

We welcome any suggestions from parents on how we can improve our services and will give prompt and serious attention to any concerns that parents may have. Any concerns will be dealt with professionally and promptly to ensure that any issues arising from them are handled effectively and to ensure the welfare of all children, enable ongoing cooperative partnership with parents and to continually improve the quality of the nursery.

We have a formal procedure for dealing with complaints where we are not able to resolve a concern. Where any concern or complaint relates to child protection, we follow our Safeguarding Policy.

Internal complaints procedure

Stage 1

If any parent should have cause for concern or any queries regarding the care or early learning provided by the nursery, they should in the first instance take it up with the child's key person or their Room Leader.

Stage 2

If the issue remains unresolved or parents feel they have received an unsatisfactory outcome, then they should present their concerns in writing as a formal complaint to the nursery operations Sharon Avery, Nursery Manager,. The operations Sharon Avery, Nursery Manager, will then acknowledge the complaint within 24 hours and then will investigate and respond as soon as soon as possible within 28 days. The nursery operations Sharon Avery, Nursery Manager, will document the complaint fully and the actions taken in relation to it will be noted in the complaint’s log book.

Stage 3

If the matter is still not resolved, the nursery will hold a formal meeting between the Managing Director, nursery operations Sharon Avery, Nursery Manager,, the child's key person, room leader and parent to ensure that it is dealt with comprehensively. The nursery will make a record of the meeting and document any actions. All parties present at the meeting will review the accuracy of the record and be asked to sign to agree it and receive a copy. This will signify the conclusion of the procedure.

Stage 4

If the matter cannot be resolved to their satisfaction, then parents have the right to raise the matter with Ofsted. Parents are made aware that they can contact Ofsted at any time they have a concern, including at all stages of the complaint's procedure, and are given information on how to contact Ofsted.

Ofsted is the registering authority for nurseries in England and investigates all complaints that suggest a provider may not be meeting the requirements of the nursery's registration. It risk assesses all complaints made and may visit the nursery to carry out a full inspection where it believes requirements are not met.

A record of complaints will be kept in the nursery. The record will include the name of the complainant, the nature of the complaint, date and time complaint received, action(s) taken, result of any investigations and any information given to the complainant including a dated response.

Parents will be able to access this record if they wish; however, all personal details relating to any complaint will be stored confidentially and will be only accessible by the parties involved. Ofsted inspectors will have access to this record at any time during visits to ensure actions have been met appropriately.
